3. Similarly in the Palany Talook the existing rates are :—

with a financial result of a reduction of Rupees 720-5-5 on the occupied area, and a nominal remission of Rupees 606-11-2 on the unoccupied waste.

4. I am directed by the Board of Revenue to request the sanction of Government for the change, which, at an insignificant sacrifice of revenue, will greatly simplify the accounts and do away with numerous opportunities for oppression and fraud on the part of the village servants.

5. The annexed abstract shews the proposal clearly, and detailed original statements, which it is requested may be returned, accompany for reference if required.

6. The number of rates in the remaining Talooks of the District is moderate and unobjectionable.
