Proceedings of the Madras Government, Revenue Department,
7th May 1866.

Column 3 of Statement.—Recommendation of the Collector, and the grounds on which it was made.

The share enjoyed by the father of the deceased was Rupees 58-5-4, and on his death only Rupees 39 of the total pension was continued to the deceased. The grant being merely a subsistence allowance and at the pleasure of Government, the Collector resolves to recommend that one-third of the allowance may be resumed, and the remaining two-thirds, or Rupees 26, be sanctioned to Meer Moozafer Hussain, the son of the deceased.

The parties concerned in this case are residents of the late Chaitput Talook in North Arcot, and thus references to the Tahsildar of Vandavaish, and to the Collector of that District, have been necessary. The records of final inquiry were received from the Collector of North Arcot only on 9th January last, and hence the delay in submitting the case for the orders of the Board.

1. Submitted for the orders of Government, with Board's recommendation that two-thirds of the pension enjoyed by the deceased be continued to his son, Meer Moozafer Hussain, the allowance during his minority being paid to his mother.

2. The arrears now due (the last holder having died on the 12th July 1865) should also be paid to the Minor's mother.

No. 132.

ORDER THEREON, 7th May 1866, No. 1,085.

Miscellaneous.

1. The Board's recommendation is approved. The pension will lapse on the Minor's death.

2. The amount of the original grant standing in the name of Syed Hussain Mohideen is now reduced to Rupees 454.
