*Proceedings of the Madras Government, Revenue Department,
7th May 1866.*

No. 137. Read the following Proceedings of the Board of Revenue, dated 27th April 1866.

Read the following paper :—

No. 99.

Season Report, 1st to 15th April 1866.

1. RAIN.—No rain generally. Scanty fall in some parts of the Palmanair Talook.
2. STATE OF THE CROPS. *Wet.*—No cultivation during the fortnight. Sugar-cane and Navarai being reaped. Produce scanty ; crops raised in last month doing better in places where there is water.
3. *Dry.*—Nat, Raggy, and Indigo cultivated in last month doing better in places where there are wells.
4. PRICES.—Higher than in the preceding fortnight, owing to large exports to Bangalore, Coimbatore, and Calicut.
5. PUBLIC HEALTH.—Much distress among the poorer classes. Cholera still exists in the Chendragherry neighbourhood, but only a few cases.
6. CONDITION OF CATTLE.—Indifferent. No pasturage, cattle disease less prevalent near Vellore.
