Proceedings of the Madras Government, Public Works Department.
2nd May 1866.

No. 36. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Sharmadavy, 13th April 1866, No. 2,634:—

1. I have the honor to report, that in accordance with paragraph 13 of G. O. No. 723, of the 3rd March 1866, I have conferred with the Collector of Tinnevelly, as to the works most urgently demanding attention, towards which a provision is made in the Budget for 1866-67, under the head Repairs to Salt Pans, Rupees 1,660. At the salt stations of Coilpatam and Vizlapathy there are the most pressing requirements to the extent of Rupees 2,025, and to enable these emergent repairs being carried out, the Collector suggests the transfer of the Communication Repair No. 13 *from* Streevigoontum to Palayacoil Rupees 1,320; by means of which there will be a balance of Rupees 975 available for the requirements of the other salt platforms in the District.

2. The Palayacoil salt pan being abolished, there is no need of repairing the road to it; and I would request the sanction of Government to transfer the second item in the Statement showing the maintenance grants for roads, &c.,

Annual repairs to Road No. 13 from Streevigoon tum to Palayacoil, Rupees 1,320.

To Part III., Civil Buildings, Minor repairs to salt pans, &c.

3. The proposal to abolish Palayacoil with the extension of the next station, Coilpatam, is approved in paragraph 30 of G. O.* No. 2,379 of 2nd October 1865, in the Revenue Department, reviewing Mr. Clarke's survey of the working of the Salt Department in the Coast Districts.

* In Department Public Works, No. 2,991 of [illegible].

No. 37. Order thereon, 2nd May 1866, No. 1,395.

ACCOUNT, No. 7.

The proposed transfer of funds from the allotment for *Repairs to Communications* to that for *Repairs to Civil Buildings* in the Tinnevelly District, is sanctioned.

(True Extract.)

Colonel, R. E.,
Secretary to Government.
