No. 43. Read the following Proceedings of the Board of Revenue, dated 9th April 1866, No. 2,389 :—

Read the following letter from the Collector of Malabar, to the Secretary to the Board of Revenue, dated Circuit at Manjeri, Ernad Táluq, 19th March 1866, No. 98.

1. I have the honor to bring to the notice of the Board that no provision is made in the Budget of 1866-67 for the works noted, although they are much required, and have long ago been sanctioned by Government.

1. Sub-Magistrate's Court and Treasury at Cannanore, Government Order, 16th December 1865, No. 3,043.
2. Sub-Collector's Cutcherry, Tellicherry, Government Order, No. 3,408, dated 21st November 1865.

2. They appear to have been entered by the Superintending Engineer in his Divisional Budget, but struck out by Government.

3. The private building now used as the Sub-Magistrate's Court and Treasury at Cannanore is very insecure as a treasury, and inconvenient as an office, and another suitable building cannot be procured.

4. The rent of the building occupied as the Sub-Collector's Office is to be raised from 1st July next from 50* to 60* Rupees per month, and the erection of the building sanctioned by Government will, consequently, be a saving to the State.

* Vide Board's Proceedings, No. 809, dated 3rd February 1866.

5. I request, therefore, that the early construction of the buildings may be urged on the notice of Government, in view to the necessary provision of funds for them being made from the Reserve of 1866-67.

Submitted for the consideration of Government.

Transferred to the Public Works Department.

(Signed) J. D. SIM,
Secretary to Government.

No. 44. ORDER THEREON, 2nd May 1866, No. 1,399.

ACCOUNT, No. 10.

In consequence of the money assigned for expenditure on New Works other than Military during the ensuing official year being barely sufficient for the completion or continuance of unfinished works of the greatest public utility, the Government have been unable to make any provision of funds for the proposed Sub-Magistrate's Court† House at Cannanore and the Sub-Collector's Cutcherry‡ at Tellicherry. The construction of these buildings must, therefore, be deferred until a more favorable time.

† Estimate Rupees 7,000, G.O. No. 3,829, dated 21st December 1865.
‡ Do. Rupees 6,699, do. do. 371, dated 8th February 1865.
