Proceedings of the Madras Government, Public Works Department, 4th May 1866.

No. 125. Read the following Proceedings of the Board of Revenue, dated 21st April 1866, No. 2,786.

Read the following letter from the Collector of South Arcot, to the Secretary to the Board of Revenue, dated Perembay, 10th March 1866, No. 60 :—

1. Adverting to paragraph 4 of Board's Miscellaneous Circular, No. LX., I have the honor to forward a revised list, duly countersigned by the Superintending Engineer in charge of the 5th Division, of existing salt roads in this District, proposed to be handed over to the Salt Department.

2. It will be observed that at Merkanum, out of six lines entered in my former list, submitted to the Board with my letter of the 24th August 1864, No. 158, only four have been retained ; the other two have been struck out, as the pans* for which these two lines were proposed have been closed under orders of Government, dated 12th May 1865, No. 1,001. The lines proposed for the Southern Depôts have all been retained as before.

* Nircoonum, Nudicoopum, Ooraney, and Hanoomanday.

3. It will be necessary that these lines be properly and completely constructed by the Public Works Department, before they are handed over to the Salt Department.

List of Roads to be entrusted to the Salt Department, South Arcot.

MERKANUM.

1. Road round the Merkanum platforms from the Cundadoo bridge to the Tembak bridge.	This road stops short at the third platform round the Karumbalum pans at Merkanum, and Mr. Graham has an estimate for it.
2. Road from the Tembak bridge to Chunampett pans.	Proposed line to be constructed.
3. Road from Cundadoo bridge through the Merkanum village to join the road near the Pooleyencal platform.	This line is incomplete, and Mr. Graham has an estimate for it.
4. A short line from the road to Tindevanum to the Cundadoo platforms.	

GOONDALUM.

1. Road from Chellumbrum road to the Goondalum plantforms.	
2. Road from the Chellumbrum road to the Coodicadoo platforms.	To be completed.

TEAGAVELLY.

1. Road from the Chellumbrum road from its junction with Coolen Choultry road to Manadary platform.	To be constructed.

KILLAY.

1. Branch roads from the Chellumbrum road to Killay, Tillavadimgum, and Nukundumgoody platforms.	

Maintenance allowance at the rate of 50 Rupees per mile.

(Signed) C. W. READE, *Collector.*

(Signed) E. A. FOORD, Lieut.-Colonel,
Superintending Engineer.

Proceedings of the Madras Government, Public Works Department,
4th May 1866.

1. The Board concur in opinion with the Collector that the salt roads above enumerated may, with advantage, be made over to the charge of the Salt Deputy, and they resolve to request the sanction of Government to the proposed transfer.

2. The sum of 50 Rupees a mile is inadequate to keep in order roads so much used as the salt roads.

No. 126. ORDER THEREON, 4th May 1866, No. 1,439.

CIVIL WORKS, No. 15.

1. The Government direct that the roads included in this list be transferred, when completed, to the Salt Department.

2. The Superintending Engineer of the 5th Division will submit an application, in due course and in proper form, for an increased annual allowance for such of the roads as cannot be maintained with the present grant.
