pees 146-4-9,* specified by Mr. Blair in his letter to the Board, dated 11th August 1865, No. 17, the late Shrotriendar is also entitled to a sum of Rupees 48-12-3 for Fusly 1274, making together Rupees 195-1-0, which I consider advisable to be disbursed to his legal heirs, who, I am told, are quite destitute since the Shrotriem is attached to Government on the death of the last incumbent Mysoor Subba Row, and I have, therefore, the honor to request that the Board will obtain the sanction of Government for the disbursement of the above sum, viz., Rs. 195-1-0, to the heirs of the deceased Shrotriendar, Subba Row.

the Inám Commissioner's settlement, and also on account of the Taffrik, (or cess collected from Government Ryots who cultivated Inám lands,) which he had been levying in both villages, but which was abolished by the Commissioner under the orders of Government, dated 16th February 1861, No. 375, and 22nd March 1861, No. 677.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 30th September 1864.
Read the following letter from W. T. BLAIR, Esq., Acting Inam Commissioner, to W. HUDLE-
STON, Esq., Secretary to the Board of Revenue, dated Coimbatore, 9th September 1864,
No. 23:—

1. With reference to the Proceedings of the Board of Revenue, dated 26th August 1864,
I have the honor to report as follows on the Petition of Mysore Subba Row, the Shrotriendar
of Puttampalli and Idapalapaza in the District of Cuddapah, submitted with the Collector's
letter, dated 16th August 1864.

2. These two villages were granted to the grandfather of the Petitioner by the English
Government in 1842 for three generations, tax free for the first generation, and subject to a
Jodi of 2,800 Rupees for the next two generations. The Petitioner, Subba Row, is the third
life; and as he did not agree to enfranchise, the villages have been confirmed to him by this
Department for his life only. The Petitioner was, under the terms of the grant, collecting taffric

22nd March 1861, No. 677.

on the minor Inams situated in the Shrotriems.
The taffric being now abolished under the
Orders* of Government, he claims the quit-
rent imposed on the minor Inams as compen-

sation for the loss he has incurred by the abolition of the cess. The Petitioner first addressed
this Department on the subject, but was referred to the Revenue authorities, as the villages were
confirmed simply on their present tenure. There can, however, be no doubt that Subba Row
is entitled to a compensation equal to the average of his taffric collections for the last five or ten
years, but whether the quit-rent imposed on the minor Inams is equal to his average collections
or not, is a point on which I do not possess any information.

ENCLOSURE No. 1.—Petition.

The Acting Collector will be requested to report what was the average amount of "Taffric"
collected by the Petitioner from the minor Inams before it was discontinued.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 24th March 1865.

Read the following letter from H. G. SMITH, Esq., Acting Collector of Cuddapah, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Davur, 26th January 1865, No. 13 :—

1. With reference to the Proceedings of the Board of Revenue, dated 30th September 1864, No. 6,426, I have the honor to state that the average amount of "Taffarick" collected by the Petitioner, Mysore Subba Row, from the minor Inams before it was continued, is Rupees 10 per annum.
2. I herewith return the petition received with the Proceedings under reply.

ENCLOSURE No. 1.—Petition.

The Board observe that in his letter, dated 16th August 1864, No. 108, the Collector recommended that the Petitioner, Mysore Subba Row, should be granted a remission of Rupees 348, quit-rent collected by the Government on the minor Inams of his Shotriem during three years, and that he should be allowed to collect this quit-rent, amounting to Rupees 116, apparently, annually in future. It now appears that the Shotriemdar formerly collected on the average only Rupees 10 per annum from these Inams. The Inam Commissioner will be requested to explain the great difference between the late Taffric and the present quit-rent, and the Collector will be good enough to inform the Board on what grounds he made his recommendation, which would appear to involve a considerable sacrifice of the interests of Government.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 24th July 1865.

Read the following letters :—

From W. T. BLAIR, Esq., Officiating Inam Commissioner, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Coimbatore, 8th June 1865, No. 14.

1. I have the honor to acknowledge the receipt of the Board's Proceedings, dated 24th March last, No. 1,684.

2. The Petitioner, Mysore Subba Row, claims the quit rent charged on the minor Inams of his two Shrotriems as a compensation for the Taffric abolished. But in point of fact, the sum, the refund of which is now claimed, evidently includes another item also, to which he has become entitled under the following circumstances.

Rs.	
1. On Idupalapayi.....	2,000
2. Futtampalli.....	800
	<hr/>
	2,800
Rs. A. P.	
41 3 9 on Devadayam and personal Inams.	
59 0 0 on village service Inams.	
<hr/>	
100 3 9	

3. The Jodi on the two* Shrotriem villages is Rupees 2,800. There are minor Inams in both. Those in the second are Sarvadambala or free Inams. Those in the first are subject to an annual Jodi of Rupees 100-2-9† payable to the Shrotriendar.

4. In now making a separate settlement with the holders of the minor Inams in the village of Idupalapayi, the Jodi hitherto paid by them to the Shrotriendar has been combined with the additional quit rent charged for enfranchisement and made payable henceforward to the Government direct, compensating the Shrotriendar by a corresponding reduction in the Jodi payable by him on the village. Thus adjusted, the future Jodi on the village will be Rupees

Rs. A. P.
2,000 0 0
100 2 9
<hr/>
1,899 13 3

1,899-13-3, to be further reduced by such sum as the Board may allow on account of the Taffric.

5. Should the Board sanction the reduction at Rupees 10, the actual annual loss to the Shrotriendar on account of the Taffric, as reported by the Collector, the final Jodi on the village will be Rupees 1,889-13-3, the compensation thus given covering the loss resulting in both the villages.

6. The Title Deed for the village of Idupalapayi has not yet passed this office, pending certain information from the District as to details of area, and will be issued in the manner pointed out in the preceding paragraph on the receipt of the Board's final Orders on the subject.

7. I presume that the Collector has, in the absence of any communication from this office, collected from the Shrotriendar the full amount of the Jodi on the two villages, viz., Rupees 2,800 as well as the Jodi on minor Inams under the Title Deeds which have been already issued for them. If such is the case, the petitioner is fully entitled to the refund of the former Jodi on minor Inams, together with the compensation on account of Taffric.

8. The petitioner appears to claim also refund of collections made on account of new quit rent charged for enfranchisement on the minor Inams of both villages. To this he has decidedly no right.

9. From the materials before me, I am unable to give the exact particulars of the sum of Rupees 348 claimed by the petitioner; but, as explained above, it evidently consists of Jodi and new quit-rent. The Collector however, by an examination of the actual accounts, could easily make out the exact amount petitioner is entitled to.

10. With reference to the inquiry of the Board regarding the great difference between the late Taffric and the present quit-rent, I beg to state that the former was a very light tax, collected on such Inam lands only as were cultivated by Ain Ryots; while the present quit-rent is chargeable on all personal Inams, at rates ranging from one-eighth to two-thirds under the Inam Rules.

of Subba Row to the Board to

PROCEEDINGS OF THE BOARD OF REVENUE.

Dated 24th March 1865.

No. 1,684.

Requesting the Inam Commissioner to explain the difference between the late Taffric and present quit-rent collected by Mysore Subba Row, Shrotriendar from Minor Inams in his Shrotriems.

From H. G. SMITH, Esq., Collector of Cuddapah, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Muddenpully, 21st June 1865, No. 75.

1. With reference to the Board's Official Memorandum, No. 1,546, dated 16th June 1864, calling for a reply to the Board's Proceedings of the 24th March 1865, No. 1,684, I have the honor to state that as the petitioner, Mysore Subba Row, is entitled to the collection of Jodi on Inam lands in his Shrotriem villages, as stipulated in the Sannad granted to the deceased Batcha Row, his grandfather, I considered that his claim to the collection of quit rent fixed by the Inam Commissioner on the Inams to be just after the abolition of the collection of Taffric* on the Inams, as per Orders of Government referred to in the letter to the Board from the Acting Inam Commissioner, dated 9th September 1864, No. 23.

* Rupees 10 per annum, on an average.

Idupalapaya in Pulivendula Taluk.....	Rs. A. P.
Puttampalli in Cuddapah Taluk.....	100 14 0
	15 3 0
	115 0 0

2. The annual amount of quit rent of Rupees 116† fixed by the Inam Commissioner on the Inams in the Shrotriem Villages in question includes the Jodi Rupees 38-12-3, formerly collected by the Shrotriemdar.

1. The Board observe that the information submitted in the above letters is contradictory and inconclusive. It appears that one Subba Row, the last life of a three lived Shrotriem tenure, on which two villages in the Cuddapah District are held, desired to collect from the Inamdars of his villages the full quit rent which had been fixed upon their Inams by the Inam Department, in consideration of the collection of the "taffric," a tax on cultivation, apparently, which he had formerly levied being discontinued. From the Collector's earlier letters there was nothing to show that the Shrotriemdar had ever collected anything but this "taffric," amounting only to Rupees 10 from the Inams; but the Collector now reports that in addition to this he had been in the habit of collecting Rupees 38-12-3 as quit rent from these Inams before the Inam Settlement. The Inam Commissioner, however, states that the quit rent formerly payable to the Shrotriemdar by the Inamdars of one village was Rupees 100-2-9, and he suggests that the annual payment made by the Shrotriemdar to Government should be reduced by this amount, and by Rupees 10, said to be the average of the taffric collections.

2. As the Inam Department must have made complete enquiries as to what amount was fairly leviable by the Shrotriemdar from the Inamdars, before the settlement of their new quit rents could have been made, the Acting Inam Commissioner will be requested to report precisely what amount Subba Row was entitled to collect from the Inamdars, and will also be invited to explain the entry of Rupees 59 in his letter, said to be quit rent on village service Inams payable to the Shrotriemdar.

3. The Collector will be called upon for an explanation of the extraordinary carelessness which has been displayed by his Department in getting up the case.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 28th August 1865.

Read the following letter from W. T. BLAIR, Esq., Officiating Inam Commissioner, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Coimbatore, 11th August 1865, No. 17:—

1. In reply to the Proceedings of the Board of Revenue, dated 24th ultimo, No. 4,288, I have the honor to state, that the exact sum of Jodi which the Shrotriemdar of Idupalapaya was entitled to collect from the Inamdars in the village prior to the Inam Settlement, amounts to Rupees 101-11-3, as shown in the margin.

On Devadayan and personal Inams. ...	Rs. A. P.
On village service Inams... ..	42 11 3
	59 0 0
Total ..	101 11 3

In the previous letter, 100-2-9 was put down as the sum by oversight.

2. The sum of Rupees 59, regarding which the Board require explanation, is the Jodi collected by the Shrotriemdar previous to the Inam settlement on the Inams held by the village servants in his Shrotriem.

3. The sum of Rupees 38-12-3, referred to by the Collector in paragraph 2 of his letter, dated 21st June 1865, No. 75, forms the Jodi of minor Inams so far as they have been confirmed by this department, and reported to the Collector, there being still some Inams bearing a Jodi of Rupees 3 15-0 left unsettled, owing to the absence of the parties.

4. From the Collector's letter, I gather that the Jodi on the Inams left unsettled by this department, and that on the village service Inams, is still collected by the Shrotriemdar, the Jodi* on the Inams reported to the Collector† having been settled by this department being alone collected by Government together with the quit-rent imposed on them for enfranchisement.

Rs. A. P.
* 38 12 3

5. The Shrotriemdar is thus entitled to a compensation of Rupees 146-4-9, as shown in the margin, both on account of the Taffric abolished, and Jodi on minor Inams formerly collected by the Shrotriemdar, but now made directly payable to Government.

6. In future, the entire Jodi† on minor Inams, inclusive of the Jodi of Rupees 59 on village service Inams, will be collected by Government, and the Shrotriemdar will hold the village (Idupalapaya) for his life on a Peishoush of Rupees 1,888-4-9, which is the sum proposed to be fixed after allowing the Shrotriemdar a full compensation for the Jodi and Taffric formerly collected by him.

7. The Shrotriem of Puttampalli will be held, as usual, on a Jodi of Rupees 800, the minor Inams in the village being all tax free, and the loss sustained by the Shrotriemdar from the abolition of Taffric in this village being taken into account in fixing the quit-rent payable in future on Idupalapaya.

Forwarded to the Acting Collector of Cuddapah, who will report whether the Acting Inam Commissioner is correct in his assumptions, also whether the compensation is payable for East 1274 as well as for previous years.
