Proceedings of the Madras Government, Revenue Department, 12th May 1866.

No. 225. Read the following Proceedings of the Board of Revenue, dated 4th May 1866, No. 3,154:—

Read the following letter from the Collector of Tinnevelly, to the Secretary to the Board of Revenue, dated Trichendoor, 18th April 1866, No. 151.

1. I have the honor to submit the following case of two persons, who are prevented by the Acting Deputy Accountant General, from drawing more than Rupees 25 per mensem, in consequence of the break in their services, and their not having passed the General Test Examination.

2. The first, Narayana Iyengar, first-class Inspector of Tenkarrai Talook, was appointed on the 14th April 1858. There is a break of three days in his service, from the 1st October 1861, when his services were dispensed with, on the introduction of the new scale, and his re-employment on the 4th idem. His service dates before January 1859, and with the single exception of a three days' break, the consequence of faulty official arrangements, and not of the official himself, has been continuous. I am of opinion that the blunder of the office should not be visited on the official, and that he should be allowed to hold the pay of the office to which he has been promoted.

3. The other individual, Kanthimathinatha Pillay, entered the service in 1837, was employed till 1844, reduced, re-employed in 1846, till 1863, when his services, as Devastanam Gumashta, were dispensed with, on the transfer of these institutions, re-employed as Revenue Inspector in 1864, up to present date; I doubt whether th Examination Rules were intended to apply to servants of more than twenty-five years' actual service, or to breaks in service, caused by unavoidable reductions of establishment.

Recommended for the sanction of Government.
