Proceedings of the Madras Government, Revenue Department, 12*th May* 1866.

No. 231. Read the following letter from the Officiating Director of Revenue Settlement, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 8th May 1866, No. 600-21 :—

1. Referring to the Proceedings of Government of the 19th ultimo, No. 908, I have the honor to request instruction as to the proportion of Mr. Wilson's salary and allowances, which should now be debited to the Settlement Budget.

2. In Proceedings of the 20th December last, No. 3,070, Mr. Wilson's services were placed at my disposal, for a period not exceeding six months from the 1st January 1866, on the pay of a Deputy Director, and in paragraph 5 of Proceedings dated 23rd January 1866, No. 191, the entry in the departmental Budget of 1866-67 of Deputy Director's pay for this Officer, for a period of four months, was sanctioned. Although the work of introducing the new settlement in the Masulipatam division of the District will be completed within the time first estimated, the report on the Guntoor division cannot be finished so soon, owing to all the survey areas not being yet available. I could not, on this account alone, have applied for the exclusive services of Mr. Wilson after the 30th June, and indeed the necessary funds would have been wanting. His employment, however, on other duties, without prejudice to those which he is performing in the Settlement Department, removes the difficulty under which I should otherwise have labored; and enables me to recommend that he may be permitted to continue on his present footing for the period necessary for the completion of the report, a portion only of his pay and allowances being drawn from the Settlement Department.

3. Should the Government approve this arrangement, I would suggest that from the date on which Mr. Wilson assumed charge of the Sub-Collectorate, his pay and allowances as Head Assistant and Acting Sub-Collector, amounting as shown in the margin to Rupees 1,089-2-8, be debited to the ordinary Revenue Department, and the difference between that sum and the full pay and allowances of a Deputy Director, viz., Rupees 198-5-4 to the Settlement Budget. The chief portion of Mr. Wilson's time will, of course, be hereafter devoted to his Revenue and Magisterial duties, and a comparatively small portion to the compilation of the report.
