*Proceedings of the Madras Government, Revenue Department,
12th May 1866.*

No. 239. Read the following Proceedings of the Board of Revenue, dated 30th April 1866, No. 3,030 :—

Read the following letter from the Acting Collector of Trichinopoly, to the Secretary to the Board of Revenue, dated 17th April 1866, No. 79.

1. I have the honor to forward the accompanying estimate and plan, furnished by the Superintending Engineer, at the requisition of Mr. McDonell, my predecessor, for enlarging the Printing Press Rooms attached to this Office.

2. There are two Wooden Presses and an Iron one at work, and also a good supply of furniture, type, and other articles connected with the printing work, but very great inconvenience is felt from the confined space the rooms at present afford; it becomes, therefore, absolutely necessary that something should be done.

3. Under these circumstances, I propose the building of another room, as shewn in the enclosed plan, and request that you will be good enough to move the Board to obtain the necessary sanction of Government for the proposed expenditure.

4. Captain Oakes has informed me that this estimate has been included in the list of minor works below Rupees 2,500, which accompanied his Budget List of 1866-67.

ENCLOSURES Nos. 1 and 2.—Plan and Estimate.

The estimated charge of Rupees 1,600 will be recommended for the sanction of Government, the work appearing necessary.

No. 240. ORDER THEREON, 12th May 1866, No. 1,141.
