Proceedings of the Madras Government, Revenue Department, 16*th May* 1866.

No. 277. Read the following Proceedings of the Board of Revenue, dated 3rd May 1866, No. 3,131.

Read the following letter from the Collector of Ganjam, to the Secretary to the Board of Revenue, dated Chetterpore, 5th April 1866, No. 462 :—

1. With reference to paragraph 2 of the Board's Proceedings, dated the 13th May last, No. 2,459, in which they require the purchasers of lots Nos. 43 and 46 of waste land, after redeeming the revenue derived from the produce of the trees, to pay for the trees themselves, I beg to inquire if I am right in understanding that the purchaser should actually pay for the timber of the trees, whose produce he is redeeming at twenty-five years' purchase. If so, this is a condition unknown to the rules, and not in accordance with the universal practice, for trees that pay no revenue are cleared from waste lands in all cases, at the option of the purchaser, as is indeed only just, and the trees of which the revenue has been already redeemed, as in this case, should be equally at his disposal.

2. If the Board are not disposed to concede this right to the purchasers, it will be only consistent to require that the value of all the firewood, cleared from lots of waste land, should be paid to Government.

Submitted to Government with the request that the Government Order, dated 29th May 1865, No. 1,120, Revenue Department, approving the proposal in paragraph 2 of the Board's Proceedings quoted by the Collector may be modified, as the Board on re-consideration do not deem it necessary to require that the purchasers of the land shall redeem the annual rent derived from the trees on it, and also pay the value of the trees. The latter requirement seems excessive.
