No. 244. Read the following Proceedings of the Board of Revenue, dated 23rd April 1866, No. 2,822 :—

Read the following papers :—

Board's Proceedings, dated 5th June 1865, No. 2,972.

Letter from the Collector of Cuddapah, to the Secretary to the Board of Revenue, dated Chennoor, 28th February 1866, No. 24.

With reference to the Proceedings of the Board of Revenue, dated 5th June 1865, No. 2,972, I have the honor to enclose a detailed Statement, showing the various items composing the entries in the abstract given at foot of my Statement formerly submitted, accompanied by a detailed Memorandum, showing in the Remarks column the object and the necessity for the reduction of the several sums of Jodi, &c., from the aggregate amount payable to Government by the several Inámdars. I trust that the Board of Revenue will sanction the transfer of the lands, and the deduction of Jodi, &c., as applied for by the several Inámdars.

Enclosure No. 1.

Abstract.—Detailed Statement showing the various items composing the entries in the abstract given at foot of the Statement submitted to the Board of Revenue, with a letter, dated 4th May 1865, No. 65, as called for in the Board's Proceedings, dated 5th June 1865, No. 2,972.

Enclosure No. 2.

Abstract.—Detailed Memorandum of the entries in the abstract given at foot of the Statement of Inám lands taken for the Railway, as called for in the Board's Proceedings, dated 5th June 1865, No. 2,972.

---

1. Submitted for the orders of Government, with the Board's recommendation that the Collector of Cuddapah be authorized to give effect to the arrangements detailed in the Statements forwarded by him, which are briefly as follows.

2. Inám lands to the aggregate extent of Acres 273, Coontahs 39, Annas 12½, assessed at Rupees 1,031-15-11, and paying a Jodi of Rupees 120-5-10, have been taken up for Railway purposes in the Cuddapah District, and in lieu of Acres 236, C. 25, A. 12¼ of this extent, assessed at Rupees 918-5-6, paying a Jodi of Rupees 95-15-2, the Inámdars concerned have applied for A. 271, C. 16, A. 13¼ of Puttah and Ayacut waste lands, assessed at Rupees 940-0-9, and the holders of the Puttah lands have, it appears, consented to the transfer of these lands to the Inámdars.

3. In the case of a furthers extent of A. 1, C. 18, A. 3, assessed at Rupees 9-4-0, the compensation sought by the Inámdar is that he may be allowed to convert A. 1, C. 20, A. 0 of his dry Inám into wet, (subject to an assessment as such of Rupees 9-13-6,) by the use of Government water without any additional charge.

4. The owners of the remaining A. 35, C. 35, A. 13¼, assessed at Rupees 104-6-5, a part of which land was subject to a Jodi of Rupees 24-6-8, desire to be

compensated by a remission of Rupees 30-7-11 from the Jodi payable by them to Government on account of other Inám lands, and this sum includes the profits obtained from, as well as the Jodi payable on, the lands in question.

5. The Board see no objection to the above arrangements, which have been approved by the Collector, and they accordingly recommend that they be sanctioned.

6. There were a few apparently clerical errors in the Collector's Statements, which have been rectified in the Board's office.

7. The Collector's attention will be called to the Board's Circular, dated 19th November 1855, &c., prohibiting the use of larger paper than Foolscap in the preparation of ordinary Statements, &c., as being inconvenient, and a needless expenditure of expensive paper.

Proceedings of the Board of Revenue, dated 5th June 1865, No. 2,972.

Read the following letter from the Collector of Cuddapah, to the Acting Secretary to the Board of Revenue, dated Muddenpully, 4th May 1865, No. 55.

1. I have the honor to forward* a Statement of Inám lands taken up for the Railway in this District, and of those applied for by the Inámdars in lieu of them, and request that you will obtain the sanction of the Board of Revenue for the same.

2. The Statement exhibits also the amount of Jodi or quit-rent, which certain Inámdars request to be remitted from the total amount of Jodi payable by them on their Inám lands instead of asking other lands in lieu; this I consider desirable, and may be sanctioned.

3. I have further the honor to inform you that the Statement in question was sent to the Inam Commissioner on the 12th September 1863, with a view to ascertain whether the several Inámdars have established their title to the lands therein specified, and I received his reply, duly accompanied by a Statement affording the requisite information.

* Sent by bandy.
