Read the following letter from the Collector of Madura, to the Secretary to the Board of Revenue, dated Teroomungalum, 7th May 1866, No. 138 :—

1. Referring to the Board's Proceedings No. 2,838, dated 23rd ultimo, I have the honor to report that towards the end of last month, and in the beginning of this month, heavy rain has fallen on the hills, which caused a flood in the Vigay by which several river-fed-tanks have received a good supply of water.

2. Heavy rain has fallen all over the Periacolum Talook, which has placed that Talook in a very flourishing state.

3. Heavy rain has also fallen in Dindigul, Nelacottah division, and in the Talooks of Madura and Teroomungalum; the prospects of the season are at present good.

4. The Garden crops, especially the cholum crops, are looking well.
