1. I have the honor to submit, for the sanction of the Board, an estimate amounting to Rupees 4,970, and the other papers noted in the margin, for constructing a road from the Poody Railway station to Trichanoor, a distance of six miles. This is merely the extension of the fine road which now connects Tripatti and Trichanoor. Mr. Robinson and the Superintending Engineer considered the proposed road a useful one, and made an allotment for it of Rupees 1,000 out of the Local Fund Budget grant of the current official year. In anticipation of the Board's sanction, the work has been put in hand, and is now in progress.
