Proceedings of the Madras Government, Revenue Department,
21st May 1866.

No. 371. Read the following Proceedings of the Board of Revenue, dated 3rd May 1866, No. 3,122.

Read the following letter from the Collector of North Arcot, to the Secretary to the Board of Revenue, dated Chittoor, 4th April 1866, No. 81:—

1. As required in Proceedings of the Board, dated 26th January last, No. 624, I have the honor to submit the enclosed Statements marked A. and B., with separate report.

2. The Statement marked A. shews the amount of compensation due to the owners of lands taken up for the formation of the local road leading from Arkonum to Conjeveram, namely, 562-15-3.

3. In explanation of these claims my former remarks hold good. These are as follow:—

I. "I begin with the claims on the local road leading from Arkonum to Conjeveram, which, though of more recent standing than many others, require present adjustment in connection with the arrangement by which half of the width of this line was assigned for the purpose of forming the Tramway which now connects these two points. As promised in the last paragraph of my letter to the Board, No. 199, dated 12th October, I now beg to enclose Statement marked A., giving abstract of the details relating to these claims.

II. "Of the eight villages in which occupied and Inám lands were taken up for this particular road, six are Government villages, one is Muttah, and one Shrotriem. The total area appropriated for the road was Cawnies 24-3-2, assessed at Rupees 128-4-5.

III. "Where Inám lands have been taken up in these Shrotriem and Muttah villages arrangements have been made by their respective proprietors to provide equivalent plots.

IV. "I beg, therefore, to recommend that abatements be made in the fixed Jodigi payable to Government by the above-mentioned Shrotriems and Muttah-dars in the following proportion:—

Names of Shrotriem villages.	Fixed Jodigi.	Abatement recommended on account of Tramway in Collector's letter, No. 199 of 1865, to the Board.	Abatement recommended on account of local road in this communication.	Total abatement.
Elupatandalam	500 0 0	4 6 7	8 2 6	12 9 1
Arigalavadi	2,035 3 5	4 10 4	10 11 9	15 6 1
Total...				27 15 2

V. "A Tabular Statement marked B., in the prescribed form, shows the particulars of the lands which it is proposed to substitute for those given up by village officers, &c., for the purposes of the local road in question."

4. The Muttahdar and Shrotriemdar not being cultivators, as well as proprietors of the lands, of which there is question in my Statement, are not entitled to any compensation for occupancy rights.

*Proceedings of the Madras Government, Revenue Department,
21st May 1866.*

The proposed reductions include those already recommended in the Board's Proceedings, dated 28th November 1865, No. 7,597A, on account of land taken up in these Estates for the Tramway line.
4. The sanction of Government is also requested to the grant of Cawnies 2-3-4, assessed at Rupees 10-5-9, in lieu of Cawnies 1-10-12 of village service, &c., Inams similarly assessed, which have been appropriated for the local road in question.
5. The total area of occupied and Inam land appropriated for this road was Cawnies 24-3-2, assessed at Rupees 128-4-5, and the amount of compensation (inclusive of the loss of crops) awarded is Rupees 562-15-3, which the Board consider should be dealt with as an Imperial charge, in consideration of the purpose to which one-half of the road-way has been devoted.
