No. 117. Read the following Proceedings of the Board of Revenue, dated 25th September 1863:—

Read the following letter from H. MORRIS, Esq., Acting Collector of the Godavery District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Cocanada, 4th September 1863, No. 281.

SIR,

1. I have the honor to acknowledge the receipt of the Board's Proceedings No. 5,274 of the 24th ultimo, and to forward copies of the Local Fund Budget Estimates submitted by Mr. Purvis on the 17th of last January to the Accountant General. Part I shows the new works* proposed to be executed.
Parts I, II and IV. • Rupees 30,900.
2. It is impossible to furnish the particulars of repairs in Part II for which Rupees 8,700 were estimated, as repairs may be required unexpectedly.
3. Rupees 2,000 were estimated for minor works under the head of "Reserve Fund."
4. In my letter to the Board dated 20th July 1863, the round number Rupees 41,000 was inserted in place of Rupees 41,600, the exact amount of Mr. Purvis' Estimate.
5. I have included in this Estimate the sum of Rupees 969-5-0, which the Board have authorized me to pay to the Municipal Association of Cocanada and Jagannadhapoorum out of these funds, in their Proceedings No. 5,305 of the 25th ultimo.
6. I fully expect that the Engineer Officers and myself will be able to expend the sum of Rupees 41,600, for the sanction of which my predecessor applied, within the current official year.

(Signed) H. MORRIS, *Acting Collector.*

1. Resolved that the above letter and its enclosures be forwarded to the Secretary to Government Public Works Department, with reference to the Board's Proceedings dated 24th August 1863, No. 5,274, with the request that sanction be obtained at an early date for increasing the Local Fund Budget grant of the Godavery District for 1863-64, from Rupees 18,900 to Rupees 41,600. The available funds at the end of the past official year, amounted to Rupees 33,349, which with the net receipts in the first quarter of the current year raises the sum at the disposal of the Collector to Rupees 44,011. The amount already sanctioned, viz., Rupees 18,900, is insufficient for the requirements of the District.

2. The Acting Collector states that in the Budget statements sent by his predecessor to the Accountant General, the sum of Rupees 41,600 was entered, but he does not explain why in that sent to the late Chief Engineer, a sum of Rupees 19,100 only was estimated. Mr. Morris will be requested to furnish explanation on this point.

No. 118.

ORDER THEREON, 6th October 1863, No. 2,901.

1. The Government sanction the revised Local Fund Budget submitted with the foregoing Proceedings of the Board of Revenue.

*Proceedings of the Madras Government, Public Works Department, 5
6th October 1863.*

2. It is however observed that the Budget Statements are not signed by the Superintending Engineer, 1st Division. The Acting Collector, moreover, does not state whether that Officer has been consulted. The Government request that Mr. Morris will now communicate with Captain Chambers on the subject of the appropriation of the available local funds.

No. 413. Read the following letter from the Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Waltair, 3rd May 1866, No. 1:—

Godavery.

1. With reference to the Local Funds Budget for 1866-67, I have the honor to observe that opposite the items from No. 31 to No. 36 the words "estimate will be considered" are entered.

2. Items 31 and 32. I beg to report that these two works were commenced under G. O. No. 2,901 of 6th October 1863, agreeably to the practice existing prior to the receipt of rules regarding Local Fund Works; I therefore consider it unnecessary now to submit estimates for them; detailed estimates for the several bridges with accurate plans, &c., will be passed by me before they are built.

3. Item No. 33. Estimate is under preparation, and will be submitted as soon as possible.

4. Item No. 34. Estimate, amounting to Rupees 18,000, was sanctioned in G. O. No. 900 of 3rd April 1865.

5. Items 35 and 36. Estimates, &c., for the road from Ellore to Chintalapudy have this day been sent to the Collector of the Godavery, for transmission for sanction through the Board of Revenue; while those for the last item, viz., "road from Pungidi to Niddadavole" were forwarded to the same Officer on the 8th November 1865.

No. 414. ORDER THEREON 6th May 1866, No. 1,570.
