Dated 23. 5. 1866.

No. 419. Read the following letter from the Resident in Travancore and Cochin, to the Chief Secretary to Government, Fort Saint George, dated Peermade, Cottyam, in Travancore, 28th March 1866, No. 20 :—

1. I have the honor to call the attention of Government to an annual payment of Rupees 3,856 by the Travancore State, on account of the profit derived from the sale of Jaffna Tobacco in the British territory of Anjengo, with the view to an adjustment of this amount with reference to the altered circumstances of the Tobacco revenue since the abolition of the Monopoly.

2. The above sum was estimated as follows :—

Estimate of the quantity of Jaffna Tobacco saleable annually in Anjengo ... ... 12 Candies

Sale proceeds of this quantity at Rupees 410½ per Candy, Rupees 4,926

Deduct.

Prime cost, &c., of 12 Candies at Rupees 89-3-0 ... ... ,, 1,070

Net profit Rupees 3,856

3. But the substitution of an Import Duty of 120 Rupees per Candy on the same quantity would reduce the amount to Rupees 1,140, but as there has been an increase in Travancore generally of 85 per cent. in the consumption of this kind of Tobacco, this amount should be increased proportionately, or to Rupees 2,664. This leaves an excess of Rupees 1,192 now paid for the profits calculated upon the present circumstance of the Tobacco revenue.

4. Under these circumstances I beg to submit, for the favorable consideration of His Excellency the Governor in Council, the reduction of the payment in question to the sum of Rupees 2,664, to have effect from the commencement of the current Malabar year, as the change from the Monopoly to the Import Duty took place even considerably before that period.

Referred to the Revenue Department.
