Son-in-law, Syed Abdul Aziz, aged 34 years. These persons depend upon the Yeomiah allowance. It appears that the deceased was in the enjoyment also of $2\frac{1}{2}$ of Sunnud Inám land in the village of Zellarie, in Chellumbrum Talook.

Column 8 of Statement.—*Recommendation of the Collector, and the grounds on which it was made.*

1. It appears that the Yeomiah was granted originally by the Jaghiredar, Syed Mahomed Hasan Khan, to one Meer Abdul Gunny, the father of the deceased, to teach the Khoran to Musselmen children at Kollamallay village. After his demise, an annual Yeomiah pension of Rupees 28-10-0 was granted to his son (the deceased Yeomiahdar Meer Abdul Khader).—*Vide* Order of Government, 9th December 1843, No. 1,290. Meer Goolam Ally, the eldest son of the deceased Yeomiahdar, now solicits the continuance of the Yeomiah in his name, and the disbursement of the arrears due.

2. The grant is for religious service, and is continuable as long as the duties are performed.

3. The record of inquiry shews that, after the death of Meer Abdul Khader, (his son,) the present claimants, who were then minors, proceeded to Tanjore and remained there, having nominated one Syed Abdul Aziz, who is the son-in-law and nephew to the deceased, to teach the Khoran to the Musselmen children at Kollamallay. The sons of the deceased having been minors, the Kollamallay village having been under resumption, and no village officers having been appointed to the village up to Fusly 1271, the fact of the death of the Yeomiahdar has not till now been reported to the authorities.

4. Syed Abdul Aziz, who is son-in-law and nephew to the deceased, having performed the duties of the office from the time of the death of Yeomhdar up toia the present moment, he requests that the arrears may be disbursed to him; but that the Yeomiah may be registered in the name of the present claimant, who will perform the service in future.

5. The present claimant admits the fact of his brother-in-law having performed the duty ever since his father's death, and states that he has no objection to the payment of *half* the amount of arrears undrawn to Syed Abdul Aziz, the other half being paid to himself and his brothers; but the Government in their Order of 19th September 1848 (Circular Order, 2nd October 1848,) having decided that Yeomiahs undrawn for four years and upwards lapses and terminates, the Collector is not prepared to recommend payment of any portion of the arrears, but the registry of the Yeomiah in the name of the present claimant may be sanctioned, as the reason assigned for not claiming the continuance of the allowance at an earlier date, viz., that of minority, is satisfactory.

6. The deceased Yeomiahdar received payment up to 11th January 1861, and to no later date.

---

1. Under the circumstances explained by the Collector, and the Orders of Government noted in the margin, the Board recommend that the religious service Yeomiah, the service attached to which is reported to have been duly kept up since the date of the last registered incumbent's death, be continued in the name of his eldest son, Meer Goolam Ally, and that payment of the arrears of the

allowance, from 12th January 1861, to Syed Abdul Aziz, who has hitherto performed the service, and Meer Goolam Ally in equal share, be sanctioned.

2. The Collector will be requested to report the exact sum requiring to be passed.

Miscellaneous.

1. The Right Honorable the Governor in Council is pleased to allow the Yeomiah to be continued and registered in the name of Meer Goolam Ally; but he sees no reason to sanction payment of the arrears.

2. As this Yeomiah appears to be an allowance for religious purposes, the Board will be good enough to consider the propriety of commuting it for a grant of land.
