Proceedings of the Madras Government, Revenue Department, 25th May 1866.

No. 471. Read the following Proceedings of the Board of Revenue, dated 17th May 1866, No. 3,461 :—

Read the following letter from the Collector of the Godavery District, to the Secretary to the Board of Revenue, dated Cocanada, 5th May 1866, No. 89.

1. During the Jummahbundy of the current year, certain Ryots in the Government village of Mutchumilli, in the Ramachendrapur Talook, applied to me for a piece of ground for dwelling sites, stating that they have hitherto, temporarily, built houses on an Inám land, which having been sold to another by the Inámdar, the purchaser asks them to vacate it.

2. The Inám land, occupied under the houses of twenty-two persons, is A. 5 and C. 45. There is no suitable Government Asalminaha land in this village for building houses; they have, therefore, selected Government Zeroyati land of A. 3 and C. 27 in two fields, Nos. 52 and 53, under the occupation of two Ryots, the annual assessment of which is Rupees 7-8-0. The holders of the Zeroyati land have consented to relinquish, without compensation, the two fields for building purposes. I consider that the twenty-two Ryots ought to be provided with ground for building houses on in the village. I request, therefore, that the Board will be pleased to obtain the sanction of Government for granting the land required free of assessment.

Submitted for the sanction of Government.
