With reference to the Office Memorandum from the Financial Department, No. 910, dated 24th February 1866, on a Financial Resolution of the same date, No. 909, communicated in G. O. of the 4th instant, No. 771, I have the honor to state that Major Morgan, the Deputy Conservator in charge of the Mudumallai Forests, and Captain Beddome, the Travelling Deputy Conservator, both draw Staff pay in addition to Military* pay and allowances, the Government having in their Order sanctioning the scale of consolidated salaries, proposed by the Officiating Conservator, decided† that existing incumbents should not be prejudiced thereby. These two Officers were appointed when the Department was first organized. Major Morgan may expect promotion to Lieutenant-Colonel in the Staff Corps next year, but this will not entail any additional expense. The present emoluments‡ of Captain Beddome exceed the consolidated pay fixed for a First Class Assistant, as he draws a separate travelling allowance, but his successor will only be entitled to the consolidated allowance drawn by other Officers of the Department :—
