*Proceedings of the Madras Government, Revenue Department,  
31st May 1866.*

No. 530. Read the following Proceedings of the Board of Revenue, dated 25th May 1866.

Read the following:—

No. 124.

*Season Report, 1st to 15th May 1866.*

1. RAIN.—A slight fall of rain in Vellore, Gudiatam, and Pooloor Talooks. In others none.

2. STATE OF THE CROPS. *Wet*—Cholam, Indigo, Sugar-cane, and Mannakatai paddy, cultivated where there are wells. The standing crops have very generally withered from drought. The “Navara” crops being cut, but out-turn only half an average crop.

3. *Dry*.—No cultivation during the fortnight.

4. PRICES.—No fall in high prices of preceding fortnight, except in Arcot Talook, where there is a trifling decrease owing to the “Navara” crop having come into the market.

5. PUBLIC HEALTH.—Much distress still among the needier classes. Cholera prevails in a few villages of the Chittoor Talook.

6. CONDITION OF CATTLE.—Very indifferent owing to want of pasturage and water. The “Vakkai” disease still prevalent in parts of Vellore and Pooloor Talooks.
