Revenue Department.

Communicating for orders a complaint
preferred by Messrs. Arbutnot and
Co., respecting a delay in the pay-
ment of the passage money for the
troops which proceeded to England
per Lord Warden.

With report from the Controller of Military Accounts, 3rd May 1866, C.

ORDER, No. 1674, 14th May 1866.

The Governor in Council regrets that any delay should have occurred in
adjusting Messrs. Arbutnot and Co.'s bill for passage money on account of troops
proceeding per Lord Warden.

The delay is reported to have been occasioned by a recent change in the
system of adjusting bills, wherein provision was not made for due advice being given
to the Paymaster of large bills falling due. This defect in the new system having
now been corrected, the Government hope that existing arrangements will be found
by the mercantile community to work satisfactorily.
