No. 22. Read the following Proceedings of the Madras Government in the
Marine Department:—

Passing orders on papers relating to the appoint-
ment of the Head Assistant to the Collector of
Tinnevely to be Registrar, and the Master } (Here enter 23rd May 1866, No. 129.)
Attendant to be Surveyor of Shipping.

No. 23. ORDER THEREON, 1st June 1866, No. 1,299.

Miscellaneous.

Communicated to the Board of Revenue.

(True Extract.)

(Signed) J. GROSE,
Under Secretary to Government.

To the Board of Revenue, with Proceedings Marine Department, No. 129.

Exd. T. O'Connor.

Referring to the Proceedings of the Board of Revenue, of the 25th ultimo, No. 2900, I have the honor to state that the suggestion of the Collector of Tinnevely, that the Head Assistant Collector should be appointed Registrar, and the Master Attendant, Surveyor of Shipping, at Tuticorin, is fully concurred in by me, but that I see nothing in the duties of the Surveyor requiring the addition to his Establishment of a Clerk, on 25 Rupees a month, and a Peon, on 7. All this Officer has to do is to survey a ship, for which he receives a fee, varying, according to her size, from 7 to 30 Rupees, and the two servants proposed are hardly necessary for this.

I have the honor to annex copy of a letter from Captain Phipps, regarding the introduction of the registry of vessels at Tuticorin, as sanctioned by Government, in Proceedings, dated 13th February 1866, No. 49, and have the honor to suggest that the Head Assistant Collector be appointed Registrar, and the Master Attendant, Surveyor, of Shipping, with the necessary aid to his Office of a Clerk, on Rupees 25, and a Peon, on Rupees 7.

With reference to the Notification in the *Fort Saint George Gazette* of the 16th ultimo, page 258, constituting Tuticorin a Port for the registry of vessels under Act X of 1841, I have the honor to inform you that applications have been made at my Office for registry of certain vessels, and I, therefore, beg you will be good enough to obtain the appointment of the necessary Officers of Registry and Surveyor, for carrying out the

of Registrar and Surveyor, for carrying out the provisions of the Act, and also a Register Book and supply of the Forms as per margin.

	Submitted for the orders of Government, through the Superintendent of Marine, with the Board's recommendation that the arrangements proposed by the Collector and Master Attendant may be sanctioned, at a cost of 32 Rupees*

No. 49. ORDER THEREON, 23rd May 1866, No. 129.
With reference to the Notification published in the *Fort Saint George Gazette* of the 13th February 1866, page 235, constituting Tuticorin a Port for the Registry of Vessels, under Act X of 1841, the Governor in Council is pleased to appoint the Head Assistant to the Collector of Tin-

nevelly to be Registrar, and the Master Attendant to be Surveyor, of Shipping. The Superintendent of Marine will be good enough to supply the usual Register Book and forms indicated in the margin of Mr. Phipps' letter of the 16th March last.

2. Under the opinion expressed by the Superintendent, the Governor in Council deems it unnecessary to sanction any addition to the Establishment of the Master Attendant, for work connected with his Office as Surveyor.
