*Proceedings of the Madras Government, Revenue Department,
17th January 1866.*

No. 254. Read the following letter from the Honorable C. PELLY, Member of the Board of Revenue, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 22nd December 1865, No. 1,879:—

1. With reference to the Proceedings of Government, dated 13th September 1865, No. 2,194, I have the honor to submit, for their information, a letter* from the Collector of Godavery, inform-

ing that the number of Lascars already proposed for the boats at Cocanada and Coringa, and the Establishment for the Sunkaravoo Chowky to be newly opened, is the smallest that can be employed; and that the rate of pay cannot be made lower.

2. The Collector admits that the amount of duty lost by smuggling is very small, and that it will not be sufficient to cover the cost of the proposed boats' crews. He, however, states that the revenue derived from the sale of smuggled goods, seized in transit, is sometimes considerable. The Establishment proposed, therefore, appears necessary to prevent smuggling, and I have accordingly the honor to request that sanction may be granted for entertaining the Establishment recommended in my letter of the 30th August last. The Chowky Establishments of Madura and Tinnevely have been abolished in consequence of the recent removal of the fiscal restrictions of trade between the Native States of Travancore and Cochin; and the amount thus saved is Rupees 175-10-10 per month, from which the cost of establishment now proposed, which is Rupees 93-0-0 per month, can be met. The sanction of the Supreme Government is probably unnecessary for this charge.

No. 255. ORDER THEREON, 17th January 1866, No. 130.

Separate Revenue, No. 11.
Customs.

1. Under the circumstances represented, the Government sanction (experimentally for one year) the Establishment at a cost of Rupees 93 per month proposed in paragraph 6 of Mr. Pelly's letter, recorded in G. O. of 13th September 1865, No. 2,194.

2. This charge can be met from the savings effected by the reduction of the frontier Chowky Establishments in the Districts bordering the Travancore and Cochin Circars.
