Read the following papers :—

No. 104. Proceedings of the Board of Revenue, dated 18th May 1866, No. 3,486.

Read the following letter from the Collector of Nellore, to the Secretary to the Board of Revenue, dated Kristnapatnam, in Guduru Talook, 2nd March 1866, No. 125.

1. I have the honor to acknowledge the receipt of the Board's Proceedings, dated 20th February last, No. 1,187, and submit proposals for the buildings in this District specified in the list appended to the Order of Government, Public Works Department, dated 22nd January 1866, No. 243.

2. The old Barracks in the fort at Ongole the Superintending Engineer has applied* for, to be handed over to his Department, as capable of being turned into a suitable Range Office with a little alteration, and I would beg the Board's permission to transfer the premises, accordingly, to the Department of Public Works.

* His letter to Collector, dated 13th April 1866, No. 128.

3. The old Talook Cutcherry at Sidapuru is partly occupied by the Police, and partly by the Public Works Department, and as both these Departments require† the use of the building, I would propose its being left in their charge, as at present.

† *Vide* letters to Collector from Superintendent of Police, No. 277, dated : 9th April 1865, and from Superintending Engineer, Second Division, dated 8th May 1865 and 13th April 1866, Nos. 2 and 128, respectively.

4. The old Talook Cutcherry at Poderu is partly in the occupation of the Police as a Station house. With the exception of this portion, however, the rest of the premises is stated to be very dilapidated and falling down. It is, therefore, proposed‡ to leave the Police in charge of the portion they now occupy, and pull down the rest of the building, and sell the old materials.

‡ *Vide* letter from Superintendent of Police, dated 29th April 1865, No. 277.

5. With the exception of the three foregoing and the Talook Cutcherry at Inamanamelloor in the Ongole Talook, I would propose to sell outright, by public auction, all the other buildings§ alluded to in the list in question.

§ Nine in number.

6. For the Talook Cutcherry at Inamanamelloor, as it is a comparatively new building in decent order, I would fix an upset price of Rupees 925, which is the present estimated value of the materials in the premises, and sell it also by public auction ; and, requesting the orders of the Board with regard to the above several proposals, I have, &c.

The Collector's proposals are approved.

No. 105. From the Acting Superintendent of Revenue Survey, to the Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 29th May 1866, No. 921-29.

1. With reference to G. O. 24th April 1866, directing me to state whether any of the public buildings mentionep in a list§ are required for the use of the Revenue Survey Department, I have the

honor to state the Talook Cutcherry at Inamanamelloor, in the Ongole Talook of the Nellore District, will be extremely useful as a branch Office for No. 5 Party, when finishing up the mapping of the north of the District.

2. I request, therefore, that the sale may be postponed for the present, and that the building may be put at the disposal of the Deputy Superintendent No. 5 Survey Party. It will probably not be required beyond the end of August 1867.

3. None of the other buildings mentioned in the list will be of use to the Department.
