*Proceedings of the Madras Government, Revenue Department,
1st June 1866.*

No. 106. Read the following Proceedings of the Board of Revenue, dated 29th May 1866.

Read the following letter from the Collector of Coimbatore, to the Secretary to the Board of Revenue, dated Ootacamund, 22nd May 1866, No. 129:—

With reference to the Proceedings of the Board of Revenue, dated 22nd

February 1866, No. 1,289, I have the honor to report that the weather* con-

tinued the same, as described in my letter of 2nd instant, No. 114. In several of the Talooks the heat has been so great that water for domestic purposes has failed, the wells having dried up. The cattle consequently suffered very much, grass was not to be had, and fodder has run short. In Bowani, Dharapooram, Udumalapettai, Kolligal, and Caroor Talooks large numbers of cattle have died. In Coimbatore and Dharapooram Talooks small-pox and fever have prevailed more or less, and in Perindorie, Bowani, Dharapooram and Palladam Talooks there have been deaths from cholera. Of late, there has been some rain; but not sufficient to enable the Ryots to commence either wet or dry cultivation.

Submitted for the information of Government.
