*Proceedings of the Madras Government, Revenue Department,
1st June 1866.*

No. 110. Read the following Proceedings of the Board of Revenue, dated in
May 1866, No. 3,675.

Read the following letter from the Collector of Tinnevely, to the Secretary to the
Board of Revenue, dated 14th May 1866, No. 189 :—

In reference to the Proceedings of Government, Revenue Department, No. 925,
dated 20th April 1866, communicated with Board's Proceedings, dated 25th ultimo,
I have the honor to annex copy of a letter from the Superintendent of Pearl Banks.

From the Superintendent of Pearl Banks, to the Collector of Tinnevely, dated Tuticorin, 11th
May 1866, No. 16 :—

With reference to the Proceedings of Government, in the Revenue Department, No. 925, dated
20th ultimo, I have the honor to inform you, that, beyond the small patch of pearl oysters, referred
to in my letter of the 30th ultimo, No. 14, I do not know of any other prospect of stocking the
pearl oyster nursery. At the commencement of the next monsoon some of the young ones, lately
found at Paumben, may be removed down here, but they are much too young to expect any benefit
from : if they remain in the same position, I should prefer leaving them for another year. I trust
the Government of Ceylon will make no objection to giving permission to remove 15,000 from the
patch referred to, near Mundee Tevoo.

Submitted for the information of Government, with reference to their Order
quoted by the Collector.

No. 111. ORDER THEREON, 1st June 1866, No. 1,343.

Miscellaneous.

Application for oysters has been made to the Govern-
ment of Ceylon.

(True Extract.)
