*Proceedings of the Madras Government, Revenue Department,
7th June 1866.*

No. 157. Read the following Proceedings of the Board of Revenue, dated 30th May 1866, No. 3,706.

Read the following letter from the Acting Collector of Kurnool, to the Secretary to the Board of Revenue, dated 18th May 1866, No. 111:—

1. A meeting was held yesterday, at Kurnool, for the purpose of taking into consideration the scheme of the Kond Aar Valley Railway to connect Kurnool with the Madras Railway at Cuddapah.

2. I have been applied to by the Deputy Collectors and Ministerial Officers of the Cutcherry for information as to whether there was any objection to their taking shares in the undertaking, supposing that it is ever matured. So far as I am aware no objection exists, but I would respectfully request the Board's instructions on the subject.

3. I avail myself of the opportunity to request information as to whether the Covenanted Officers of the District are debarred from such an investment.

There is not the slightest objection to any Officer of Government, Covenanted or Uncovenanted, taking shares in a Railway Company, whether in his own District or elsewhere.
