*Proceedings of the Madras Government, Revenue Department,
17th January 1866.*

No. 266. Read the following letter from the Conservator of Forests, to the Secretary to Government, Revenue Department, Fort Saint George, dated Camp, Ootacamund, 6th January 1866, No. 1,534:—

1. With reference to paragraph 2 of G. O. dated 21st November 1865, No. 2,849, I beg to state that 5,000 Rupees are available for the new Burghoor Ghát, of which Colonel Walker has made an excellent trace, now being widened for cart traffic, but with insufficient funds.

2. The employment of the available money has been sanctioned by Government, but the Forest Department has no establishment for road-making; and it seems advisable that we should at once transfer the fund to the Public Works Department, when the work would be carried out under Colonel Walker's orders. I have conferred with him and Major Morgan, and we are all of opinion that this is the best arrangement.

No. 267. ORDER THEREON, 17th January 1866, No. 136.

Forests, No. 5.

Under recent orders of the Government of India, and the system of Accounts kept in the Public Works Department, the work must be done by that Department which supplies funds. Dr. Cleghorn will make arrangements accordingly, and Colonel Walker will no doubt render him the necessary assistance in procuring competent servants to carry on the work. They must be paid out of the 5,000 Rupees.
