*Proceedings of the Madras Government, Revenue Department,  
9th June 1866.*

No. 207. Read the following letter from the Collector of Coimbatore, to the Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 30th May 1866, No. 47 :—

In reply to your Official Memorandum, dated the 25th instant, No. 68, I beg to inform you that I called on Mr. Hannington to audit Lieutenant Nichol's accounts. Mr. Hannington has had one or two interviews with Lieutenant Nichol, but being unable to make any thing satisfactory of the accounts, at his request, I met him, Lieutenant Nichol, and Mr. McIvor. We worked for about two hours at the accounts, and at the end of that time Lieutenant Nichol became suddenly so ill that we were obliged to give up the enquiry, as without him to explain his accounts, they are incomprehensible. The accounts were handed over to him, and he was requested to draw up a regular statement, exhibiting all the necessary information with the assistance of Mr. McIvor's Clerk, whose services are placed at his disposal. Mr. Hannington has since been demarcating lands on the Koon-dahs, being anxious to get them marked out ere the south-west monsoon sets in, as after it commences no one can venture out there; and I have been busily engaged in preparing matters for the introduction of the Towns Improvement Act, about which orders were lately received from Government, as well as with the annual settlement of the hills, which I have just completed. Lieutenant Nichol shall again be called on to produce his revised accounts, which I hope will prove more satisfactory than his former ones.

No. 208. ORDER THEREON, 9th June 1866, No. 1,389.

Miscellaneous.

The Government await the Collector's further report, which should be submitted without unnecessary delay.
