No. 209. Read the following letter from C. E. GOVER, Esq., to the Chief Secretary to Government, Fort Saint George, dated Madras, 12th May 1866:—

1. As I have taken considerable interest in the question of Indian Weights and Measures, and am very desirous to obtain all possible information on the subject, I have the honor to request that I may be favored with a copy of the report of the Madras Commission on Weights and Measures.

2. I shall be happy to conform to any condition you may name, if there be any objection to the report being made public. My object in making the above request is simply that of obtaining, what must necessarily be, very valuable information for my own use in connection with the subject.

3. I shall esteem it a great favor to receive the report.
