*Proceedings of the Madras Government, Revenue Department,
9th June 1866.*

No. 213. Read the following Proceedings of the Board of Revenue, dated 30th May 1866, No. 3,704.

Read the following letter from the Collector of Coimbatore, to the Secretary to the Board of Revenue, dated Ootacamund, 22nd May 1866, No. 127 :—

Mr. Lowry, who is now employed in opening out land on the Anamallays, writes to say that he will, if supplied with a rain-gauge, be glad to keep a Register of the rain-fall, and send a copy of it once in six months to my Office. I recommend that advantage of his offer be taken; and in view to the same, I request that I may be supplied with a rain-gauge, as there is no spare one in my Office. An early reply is requested, as the south-west monsoon will commence soon, and it will be well if Mr. Lowry can be supplied with a rain-gauge ere it sets in. I beg to call the Board's attention to my letter of the 27th March 1866, No. 84, as the instruments sanctioned for Mr. Lowry's use, have not yet been received.

Recommended for the sanction of Government, in continuation of the Board's Proceedings, dated 14th April 1866, No. 2,577.

No. 214. ORDER THEREON, 9th June 1866, No. 1,392.

Miscellaneous.

The Government Astronomer will supply the Collector of Coimbatore with two rain-gauges, and furnish him with the necessary instructions and forms for registering the rain-fall.
