*Proceedings of the Madras Government, Revenue Department,
11th June 1866.*

No. 244. Read the following letter from the Assistant Secretary to the Government of Bengal, to the Secretary to the Government of Madras, dated Fort William, the 11th May 1866, No. 2,514:—

With reference to the accompanying copy of a letter, No. 3, dated 5th instant, from Doctor T. Anderson, in charge of Chinchona cultivation in Bengal, I am directed to request that, with the sanction of His Excellency the Governor of Madras, twenty-five copies of the Proceedings of the Madras Government, connected with Chinchona cultivation and its future prospects, may be furnished to this Government, for the purposes indicated by Doctor Anderson.

From T. ANDERSON, Esq., M. D., Superintendent Botanical Gardens, and in charge of Chinchona cultivation in Bengal, to the Junior Secretary to the Government of Bengal, dated Botanical Gardens, 5th May 1866, No. 3.

1. I have the honor to state, for the information of the Lieutenant-Governor, that some important correspondence has lately taken place between the Secretary of State for India and the Madras Government, on the subject of Chinchona cultivation; and that, acting under the orders of the Secretary of State, Mr. Markham, after having visited all the Government and private Chinchona plantations in Southern India and Ceylon, has submitted a report to the Madras Government on the question of Chinchona cultivation and its future prospects.

2. Through the favor of a friend I have seen a portion of this correspondence, which has been printed. As it is of the greatest importance that I should be supplied with all information that exists about the cultivation of Chinchona, I have the honor to request that I may be supplied with about twenty-five copies of the Proceedings of the Madras Revenue Department, 12th March 1866. I think that copies of these Proceedings might be sent through me to all Tea planters and others, who have commenced Chinchona cultivation in Bengal and the Himalayahs. The names of most of these gentlemen are known to me.

Ordered that the following letter be despatched.

No. 245. From the Acting Secretary to Government of Fort Saint George, to the Secretary to the Government of Bengal, dated 11th June 1866, No. 1,408.

SIR,

Miscellaneous.

I am directed by the Right Honorable the Governor in Council to forward twenty-five copies of Mr. Markham's Chinchona Report, as requested in your Assistant's letter, dated 11th May 1866, No. 2,514, but with reference to Dr. Anderson's proposal to circulate them to the planting community, I am to state that pending the decision of the Secretary of State on certain points discussed in it, the report has not been furnished to the public in this Presidency.
