No. 246. Read the following Proceedings of the Board of Revenue, dated 29th May 1866, No. 3,670.

Read the following letter from the Collector of Coimbatore, to the Secretary to the Board of Revenue, dated Ootacamund, 30th April 1866, No. 110 :—

1. I have the honor to forward a Statement, shewing the extent and assessment of land proposed to be given to certain village officials in Sattimungalam and Colligal Talooks in this District, in lieu of their Inám lands, which have become unfit for cultivation.

2. The aggregate extent of land unfit for cultivation is Acres 26-2 $\frac{3}{4}$, bearing an assessment of Rupees 22-7-5 ; that proposed to be given in lieu of it measures 21-5 $\frac{1}{4}$ acres, assessed at Rupees 21-12-0.

3. In two instances, the officials request that lands held by other Ryots on Puttah may be allotted to them. In the other remaining case, the grant is proposed to be made from the Puttah land of the Curnum himself.

4. The Puttahdars agree to this arrangement ; and, as there appears to be no objection to it, I request the Board of Revenue will be good enough to obtain the sanction of Government to its being adopted.

5. The Puttah lands referred to are to remain, as usual, with the Puttahdars ; the officials will be entitled to receive only the assessment.
