Proceedings of the Madras Government, Revenue Department, 12th June 1866.

No. 294. Read the following letter from the Superintendent of Marine, to the Acting Chief Secretary to Government, Marine Department, Fort Saint George, dated Madras, 12th June 1866, No. 2,260 :—

1. I have the honor to acknowledge receipt of the Proceedings of Government, noted in the margin, directing the despatch to the Ganjam District of 1,500 bags of rice by the Steamer "Arracan," and to report that this quantity was yesterday purchased by the Commissary General for the purpose, and the shipment will commence this day.

11th June 1866, No. 1,416.

2. The "Arracan" is prepared to leave at two hours' notice, but the Commissary General will not be able to ship the entire quantity till the 14th instant.

3. From enquiries I learn that the Steamer "Asia," which left Madras on the 6th instant, touched at Masulipatam, Cocanada, and Bimlipatam, for rice to be landed at Gopaulpore. It is supposed she must have taken 10,000 bags there. The "Cashmere" Steamer, just about to leave, will likewise pick up rice at the Northern Ports for the same place, and the "John Melhuish," sailing vessel, will take from this 3,000 bags of rice and raggy.
