*Proceedings of the Madras Government, Revenue Department,
18th January 1866.*

No. 282. Read the following Memorandum from the Acting Inspector General of Hospitals, for Principal Inspector General Medical Department, Fort Saint George, dated 11th September 1865, No. 273.

Read the following letter from the Acting Civil Surgeon, Guntoor, to the Deputy Inspector General of Hospitals, Presidency Division, dated Guntoor, 1st September 1865 :—

1. With reference to paragraph 8 of Proceedings of Government, Revenue Department, dated 23rd August, herewith returned, I have the honor to state that I saw M. Nursimha Puntulu, Deputy Collector of Kurnool, twice, previous to granting him the Certificate dated 18th July. He was then suffering from dropsy (Edema) of the lower extremities, and shewed other marked symptoms of general debility; he was under my treatment for three or four weeks afterwards, and had improved much in health, when he reported that he was going to start in a day or two for Kurnool.

2. The Deputy Collector informed me, on the first occasion of seeing him, that, owing to the informality of the Certificate granted by the private practitioner at Madras, he would be obliged to return to his duty at Kurnool at once, unless he could get an extension of sick leave, and as there was no doubt in my mind as to his unfitness for *duty*, I had no hesitation in granting him the Certificate he required.

Forwarded to the Secretary to Government, Revenue Department, in reference to paragraph 8 of their Proceedings No. 1,97 of the 23rd ultimo.

Miscellaneous.

The Government desire that Dr. Wither be informed that the Government greatly disapprove of his conduct in having granted Nursimha Puntulu a Certificate after only seeing him twice, and without enquiring into the circumstances under which he went to Guntoor.
