Read the following letter from the Collector of Coimbatore, to the Secretary to the Board of Revenue, dated Ootacamund, 2nd June 1866, No. 145 :—

1. With reference to the Proceedings of the Board of Revenue, dated 22nd February 1866, No. 1,239, I have the honor to report that there is but little improvement in the state of the season as reported in my letter of the 22nd ultimo, No. 129.

2. The dry and garden cultivation is still in a bad way ; the former from want of rain, and the latter from want of water in the wells. Many garden lands are still uncultivated.

3. The sanitary condition of the District, as regards human beings and animals, continues the same.

4. A late but slight fall of rain has improved the pasture in parts of the District.
