No. 363.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA.

SIR,

Miscellaneous.

1. The distress in the Ganjam District at the present time is grievous, and in the northern portion of the District is as great as what is reported of the neighbouring District of Cuttack.

2. Strenuous efforts are being made by the Government Officers and by private charity to afford such measure of relief as is possible, and much has been and is being done in this direction.

3. But means are limited for encountering such wide-spread and crushing distress, and I am accordingly directed to solicit that you will bring under consideration the claims of the District for a grant-in-aid from the large surplus of the Famine fund, which it is understood is available for expenditure.

I have the honor to be,
Sir,
Your most obedient servant,
(Signed) W. HUDLESTON,
