OBSERVATIONS.—His Excellency the Governor General in Council has had under consideration several transfers of grants which have been made from the Budget Estimates of other Departments to that of this Department.

2. Such transfers are, as a rule, of small amount, and are, in practice, not required, as they have no appreciable effect on the operations of the Public Works Budget grant and expenditure; and, as they cause additional work, in correspondence and account, the Governor General in Council, in this Department, is of opinion that these transfers might be discontinued with advantage, and that, in cases where provision has been made in the Budget Estimates of other Departments for expenditure to be incurred by and properly debitable, under the rules in force, to the Public Works Department, such provision should be simply struck out, and the outlay directed to be met from the Public Works assignment.

ORDER.—Ordered that the foregoing Observations be forwarded to the Financial Department, for consideration, and for such further action as may be necessary.

(Signed) C. H. DICKENS, Lieut.-Col., B. A.,
Secy. to the Govt. of India.

No. 606.
