Proceedings of the Madras Government, Revenue Department, 16th June 1866.

No. 366. Read the following Proceedings of the Board of Revenue, dated 6th June 1866, No. 3,892.

Read the following Proceedings of the Madras Government, dated 12th May 1866, No. 1,131, Revenue Department:—

ABSTRACT.—Referring to the Board, for their remarks, a letter from the Officiating Inám Commissioner, on the subject of the Inám work that still remains to be done in all the Districts of the Presidency.

The Board admit that the very material reduction in the number of cases yet to be disposed of, and the further reduction of the remaining number by one-half, which is anticipated by Mr. Blair, considerably lessen the objections to the proposed transfer of the work to the Revenue Department. Still, to ensure as far as possible, a consistent application of the rules, the Board think it highly desirable that the work should remain with the Commissioner up to the date for which Government have provision in the Budget, viz., 30th September next. Within this date the Commissioner could, probably, dispose of the cases of the Inám villages, and the appeal petitions on hand.

ORDER THEREON, 16th June 1866, No. 1,472.

The Inám Commissioner will report to Government, after 15th September next, on the amount of work in the Department that may then remain to be done both in his own office, and in the Districts as regards the cases transferred to the Collectors for enquiry on the Inám Deputies quitting the several Districts.
