Proceedings of the Madras Government, Revenue Department,
16th June 1866.

No. 378. Read the following Proceedings of the Board of Revenue, dated 5th June 1866, No. 3,853.

Read the following letter from the Officiating Collector of Tanjore, to the Secretary to the Board of Revenue, dated Vellum, 8th May 1866, No. 110:—

1. I have the honor to furnish the report requested in Board's Proceedings, dated 19th ultimo, passed with reference to Government Orders, in the Military Department, dated 12th idem.

2. The Petition is, as its contents plainly indicate, the production of an old Sepoy in his dotage. He affirms that he has "Now become of an old age and of "large family, suffering much for want of common cloth and raiment," and then, after commenting upon the demoralization of the native revenue officials generally, expresses his desire to take up a tract of waste land, paying the due rent to the Circar, "comprising more than two hundred cawnies which, he states, if it was "delivered to me, I will put in some other plants of different fruitful trees, and "build a travelling bungalow and choultry for the refreshment of many beggars, "and pilgrims." Whence the requisite funds are to be obtained for these beneficent objects, when, as he affirms, he has no garments to wear, does not appear.

3. I find that he is an old man, upwards of sixty, living solely upon his pension, and without even a house to dwell in. The land he mentions is situated in the Trichinopoly District, but I presume the Board would not desire to take further action in the matter.

---

1. Submitted to Government, with reference to the Order of Government referred to by the Acting Collector.

2. As the original Petition was not forwarded to the Board, they are unable to dispose of it by endorsement. They concur with Mr. Banbury in considering it undeserving of further notice.

No. 379. ORDER THEREON, 16th June 1866, No. 1,478.
