No. 384. Read the following letter from the Barrack Master, Presidency, to the Acting Secretary to Government, Revenue Department, dated Fort Saint George, 14th June 1866, No. 302 :—

1. With reference to the Order of Government No. 1,365, dated 7th June 1866, I have the honor to state, that it appears absolutely necessary that privy accommodation for the employes at Chepauk should at once be provided.

2. The present "Native Privy" so-called is merely an oblong open space, with screen walls, and appears to have been neglected for days past; the other privies are also open, and although tolerably clean, are entirely without interior arrangements to meet sanitary requirements, and to facilitate the conservancy.

3. I am awaiting information as to the numbers for whom accommodation will be necessary, and will communicate with the Executive Engineer should the Government be pleased to authorize the erection of new buildings, and also with the Sanitary Commission as to the site.

4. In the meantime, I have caused the privies to be cleaned, and for the present have employed a cart, with bullocks and driver, and two more toties to assist the one available on the Revenue Board Establishment for "daily removal," to prevent accumulation, and to clean the compound.

5. The cost of which will be—

1 Cart with bullocks and driver	...	...	...	Rupees	20
2 Toties at 5 Rupees each	...	...	...	"	10
Total ...					30

No. 385. ORDER THEREON, 16th June 1866, No. 1,481.

1. The Government consider it absolutely necessary that arrangements should be made for maintaining the Chepauk buildings and compound in decent and proper order, and approve the proceedings reported by the Barrack Master.

2. Orders will be issued in the Department Public Works to the Executive Engineer to place himself in communication with Colonel Worster, in view to the preparation of Plan and Estimate for the requisite work, including a sketch of the ground to shew the site selected.

3. Pending permanent arrangements, the temporary monthly charge of Rupees 30 is sanctioned. The Accountant General will instruct the Barrack Master how to debit it.
