Proceedings of the Madras Government, Revenue Department,
20th June 1866.

Read the following letters :—

No. 441. From the Officiating Inám Commissioner, to the Secretary to Government, Revenue Department, Fort Saint George, dated Coimbatore, 29th May 1866, No. 38.

1. The Deputy Collector in charge of the Treasury at Coimbatore has forwarded to me the accompanying Extract from the remarks of the Accountant General, in which he instructs that Officer to debit Rupees 2,333-5-4 of my salary, as Inám Commissioner, to the head of "Law and Justice," that being the salary of my substantive appointment as Civil and Sessions Judge of Cuddapah. Under this arrangement, the above-mentioned sum will be a monthly saving up to the end of September next, and will be more than sufficient to meet the charges proposed in the Supplemental Budget referred to in my letter dated 14th April 1866.

2. I would, therefore, beg to suggest that the Government would be pleased to instruct the Accountant General to pass the charges contained in the Supplemental Budget out of the savings above referred to.

Referred to the Accountant General for any observation he may wish to offer.

Secretary to Government.

No. 442. From the Accountant General to the Government of Madras, to the Secretary to Government, Revenue Department, dated Fort Saint George, 12th June 1866, No. 58.

1. With reference to the accompanying letter from the Officiating Inám Commissioner, No. 38, dated the 29th ultimo, which has been referred for my report, I have the honor to observe that as it will be necessary, consequent on the reduction* by the Government of India of the Budget Grant on account of the Inám Commission from Rupees 75,300 to Rupees 35,300, to submit a revised estimate for sanction, I would suggest that the charges entered in the Supplemental Budget of the Inám Commissioner, and referred to in his letter quoted above, may be included in the revised estimate.

* Financial Resolution No. 1,585, dated 29th March 1866.

2. In preparing this estimate, Mr. Blair should exclude from it his substantive pay, viz., Rupees 2,333-5-4 per month, which is chargeable to Grant "17, Law and Justice," and has been taken under that head in the sanctioned Budget.

3. I may remark that Mr. Blair has been informed that, pending the continuance of the Commission on further explanation to be submitted to the Supreme Government, the charges for the first four months of the current year will be passed against the reduced grant of Rupees 35,300.

No. 443. ORDER THEREON, 20th June 1866, No. 1,507.

Miscellaneous.

1. The Government do not propose to forward a revised estimate to the Supreme Government for sanction, but have reiterated their application for the grant applied for in their original Budget.

Proceedings of the Madras Government, Revenue Department,
20th June 1866.

2. Under these circumstances and to obviate the necessity of a Supplemental Budget, it seems desirable to pass the charges referred to by the Inám Commissioner against the saving effected in the provision for the Commissioner's pay.
