Proceedings of the Madras Government, Ecclesiastical Department,
18th June 1866.

Read again letter from the Archdeacon of Madras, dated 27th March 1866, No. 123, and recorded in Proceedings of the 11th April 1866, No. 74.

No. 14. Read also the following letter from the Collector of Malabar, to the Chief Secretary to Government, Fort Saint George; dated Calicut, 5th June 1866, No. 74.

Adverting to Government Order, Ecclesiastical Department, dated 11th April 1866, No. 74, I have the honor to state that my Head Assistant has reported that a sufficient extent of Government land is available for a burial ground immediately to the east of the present Church compound at Palghaut, and that the Reverend Mr. Rhenius inspected the place and expressed himself satisfied with it, as far as regards extent and situation. The only objection to it is that earth having been taken from it for levelling the ground on which the Church stands when the Church was erected, it is somewhat below the level of the Church compound; but, to remedy this, I have requested the Head Assistant Magistrate to have the hollow filled up by the convict labor under his charge at Palghaut.

No. 15.

ORDER THEREON, 18th June 1866, No. 123.

The Governor in Council directs that the land, referred to in the foregoing letter as being in the immediate vicinity of the Church compound at Palghaut, be appropriated for the purposes of a Cemetery, and that the necessary orders be issued in the Public Works Department for enclosing it by a wall. When this is done, the old burial ground will be closed.
