Dated 25th June 1866, *No.* 1,555.

No. 537.

General.

1. The attention of Government has been drawn to the necessity of requiring more speedy and active efforts on the part of Tahsildars to check the spread of cholera on its first appearance in a Talook.

2. The enforcement at once of simple sanitary measures for cleansing the villages concerned, and maintaining them in clean order, and the early supply of the medicines which can be obtained on application to the Collector, will generally be productive of speedy material improvement in the condition of the immediate locality, and tend to confine the disease within narrower limits.

3. The Board of Revenue will instruct all Collectors to warn their Tahsildars of the responsibility that rests on them in this matter.
