Proceedings of the Madras Government, Revenue Department,
18th January 1866.

No. 307. Read the following Proceedings of the Board of Revenue, dated 9th January 1866.

Read the following letter from the Chairman Hospital Committee, to the Secretary Board of Revenue, dated Ootacamund, 27th December 1865 :—

With advertence to the question referred to the Board by the Collector of Coimbatore, touching a piece of land near to (and eventually to enclose) the present Cutcherry, I have the honor, by desire of the Hospital Committee, to express their hope that the Board will give to the subject the earliest consideration that may suit its convenience. It is on all accounts desirable that not a day of the present fine weather should be lost in proceeding with the building, and the Committee are very anxious to push on with the work.

Submitted to Government, in continuation of Board's Proceedings, dated 22nd December 1865, No. 8,297.

No. 308. ORDER THEREON, 18th January 1866, No. 156.
