Dated 28. 6. 1866.

*Proceedings of the Madras Government, Revenue Department,*
**28th *June* 1866.**

No. 594. Read the following letter from the Collector of Salem, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated on Circuit, Senkagiridrug, Trichengode Talook, 15th June 1866, No. 37:—

1. In compliance with the Order of Government, contained in their Proceedings, dated 9th instant, No. 199, I have the honor to report on Major Hunter's letter to Government, dated 3rd June 1866.

2. Major Hunter applied for Government Title Deeds (in form B) for certain lands held by him on the Shervaroy Hills.

3. These lands were not acquired by Major Hunter under the waste rules, and the cost of survey has not been paid on them by any one.

4. The cost of demarcation was, I believe, defrayed by the former proprietors, and if this is so, Major Hunter will not be required to pay for demarcation (except for any deficiency that may appear in the present demarcation).

5. Major Hunter is, however, clearly liable to pay cost of survey under Rule XVI., laid down in Proceedings of Government, Revenue Department, 27th August 1863, and this liability is also shewn in B. form of Title Deed.

6. Rule XIII. is only applicable to *redemption* of assessment under Rule XII., and this is borne out by the wording of A. form of Title Deed, in which no mention is made of payment of survey expenses.

No. 595. ORDER THEREON, 28th June 1866, No. 1,585.

Land Revenue

1. The Collector will state whether the land in question has been already permanently demarcated and scientifically surveyed.

2. The rule regarding demarcation and survey was intended to operate in precisely the same way in the two cases of redemption of the assessment and grant of a permanent Puttah.

*Acting Secretary to Government.*
