Sir,

I have the honor to inform you that the Collector of North Arcot approves of a Seignorage upon bamboos as per margin I request that Government will sanction the same.

A Bandy load	R. a. P. 8--
a Bullock or Ass's load	2--
1 Man's load	1--

2. The rates per bullock and man's load are higher than those approved of by the Collector of Cuddapah and forwarded by me for the sanction of Government for that district as however a bullocks load is a quarter of a bandy load I would suggest that the rate now proposed for North Arcot be sanctioned both for that district and Cuddapah, when bamboos are cut for sale a license is almost always taken out for a bandy load, but if bullocks or Mans loads were to be free of tax, traders might evade

evade the law altogether by resorting to this means of transport.

3. I enclose the Collector's letter for reference.
