PROCEEDINGS OF THE BOARD OF REVENUE, dated 21st June 1866.

Read the following letter from J. A. C. BOSWELL, Esq., Principal Assistant Collector, to the Collector of Vizagapatam, dated Narsipatam, 1st June 1866, No. 91 :—

1. In consequence of the almost entire failure of the rains last year, the Taluk of Sarvasidhi has suffered very severely, and the Taluk of Golgonda to a less extent.

2. With reference to the Standing Circular of the Board of Revenue, dated 1st November 1865, No. 7,009, I have, accordingly, had to grant remission, Rupees 35,351-9-5, for the wet lands of Sarvasidhi, and Rupees 9,126-4-0 for Golgonda. In granting this remission, I have strictly observed the principle laid down in the Board's Circular above quoted, granting full remission for wet lands left waste for want of water, and for those on which the crops have entirely failed for the same cause, while, with regard to partial shavy, I have taken into consideration all the circumstances of each village, and have granted, in proportion to the general loss, remission at twenty-five, fifty, or seventy-five per cent. on the lands that have suffered. Before the settlement, however, the Tahsildar had collected the Ryots' kists as they fell due. I have, therefore, to recommend that the sum noted in the margin should be refunded to the parties from whom it has been collected, and beg, therefore, you will be good enough to obtain the sanction of the Board for the refund of Rupees 3,646-9-2 accordingly.

Read the following letter from the Principal Assistant Collector, to the Collector of Vizagapatam, dated Narsipatam, 1st June 1866, No. 91 :—

1. In consequence of the almost entire failure of the rains last year, the Talook of Sarvasidhi has suffered very severely, and the Talook of Golgonda to a less extent.

2. With reference to the Standing Circular of the Board of Revenue, dated 1st November 1865, No. 7,009, I have, accordingly, had to grant remission, Rupees 35,361-9-5, for the wet lands of Sarvasidhi, and Rupees 9,126-4-0 for Golgonda. In granting this remission, I have strictly observed the principle laid down in the Board's Circular above quoted, granting full remission for wet lands left waste for want of water, and for those on which the crops have entirely failed for the same cause, while, with regard to partial shavy, I have taken into consideration all the circumstances of each village, and have granted, in proportion to the general loss, remission at twenty-five, fifty, or seventy-five per cent. on the lands that have suffered. 3. I have also to request the sanction of the Board for the refund of Rupees 32-11-2, being the sum erroneously collected from one Y. Chodappa, a Ryot of Madutur, in the Talook of Sarvasidhi. This sum was collected for Fuslies 1263 and 1264 from the above individual, the Curnum having charged him in the accounts with Porumboke cultivation; but this was afterwards on inquiry, found to be part of his Jeroyet holding. In the settlement of Fusly 1275, it was not charged.

4. In the village of Madutur Attipully Venkaya had an Inám Puttah from the Inám Commissioner for four and a half Vissams dry, Title Deed No. 1,397, with a quit-rent of Rupees 16. The amount has subsequently been reduced by the same officer to Rupees 13. Sanction for the refund of Rupees 6 for Fuslies 1274 and 1275 is, therefore, sought.

Submitted in original for the sanction of the Board of Revenue.

The refund of Rupees 32-11-2 is sanctioned, but the Government are disposed to think that the dates "Fuslies 1263 and 1264" are wrongly given, and that the Board were competent to dispose of the case without reference.
