*Proceedings of the Madras Government, Revenue Department,
2nd July 1866.*

No. 1. Read the following Proceedings of the Board of Revenue, dated 2nd June 1866, No. 3,798.

Read the following letter from the Collector of Malabar, to the Secretary to the Board of Revenue, dated Calicut, 30th April 1866, No. 141 :—

No. 1, Form X.
.. 2, do. Y.
.. 3, do. X.
.. 4, do. X.
.. 5, do. X.

I have the honor to submit, for the seal of Government, the Deeds marginally noted, in preparing which due attention has been paid to the directions of the Board.

ENCLOSURES Nos. 1 to 5.—Title Deeds in duplicate.

1. Ordered that the five Title Deeds in duplicate, received with the above letter, be submitted for the seal of Government, in accordance with Rule V. of the "Subsidiary Instructions relating to the sale of assessed waste on the Neilgherries, Shervaroys, and in the Wynaad," recorded in the Proceedings of Government, No. 1,208, dated 6th July 1863.

2. It will be pointed out to the Collector that in Plan No. 3, the road forming the eastern boundary of the property should be described as the "Road to the west of the Moonsiff's Court," it being so described in the Schedule of the Deed to which the plan in question is attached, and also that the words "And likewise," in the last line but three on the first page of all the Deeds in Form X., should be struck out, under the Collector's signature, as a misprint.

3. It is presumed, that in conformity with the directions given in the original forms of Deed for filling them up, the residence and occupation of the witnesses to the execution of the Deeds now submitted, who have signed in Malayalam, have not been omitted.

No. 2. ORDER THEREON, 2nd July 1866, No. 1,611.

Land Revenue.

1. Of the five Deeds received with these Proceedings, four in Form X., and numbered respectively 1, 3, 5, and 6 will be sealed and returned.

2. The word *acres*, superfluously written in the first page (31st line) of one copy of the Deed numbered 5, should be struck out therefrom under the Collector's initials.

3. Before sealing the fifth Deed in Form Y. and numbered 2, the Collector, to whom the Deed will be returned, will be requested to explain why it has not been drawn up in strict accordance with the

* Appended to G. O. 7th March 1863, No. 482 A. prescribed form.* The deviations from this form are noted in the Deed in

pencil. It will also be pointed out to the Collector that the descriptions of the southern boundary of the property referred to in this Deed, as given in the Schedule and Plan, do not quite correspond, and he will be instructed to have the omissions in the latter supplied. The Collector's seal to the Deed, it is moreover observed, has been broken.

(True Extract.)
